NARRATIVE:

Maxwell is a documented gang member of the Bloodstone Villians street gang. He has an extensive adult criminal history that began at the age of 18 and includes convictions for manufacturing and possession of dangerous weapons, burglary, possession of controlled substance while armed with a loaded firearm, transport of controlled substance for sale, false identification to peace officer, possession/purchase cocaine base for sale. Maxwell has served multiple state prison terms the longest a three (3) year term for possession/purchase of cocaine base for sale. Maxwell was released from state prison to the supervision of the Los Angeles County Probation Department on June 10th, 2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in October 2013 after Maxwell absconded from post release community supervision (PRCS). Maxwell qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for burglary is defined as non-serious and non-violent under the California penal code. His prior criminal history, status as an active gang member and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
